

Steve Bauer Niagara Tours

Jordan-Vineland Full Day Vineyard Cycle Tour

The Jordan/Vineland area reveals many of Niagara's hidden treasures. Cycling the quiet roads here will bring the unparalleled calm of the country.

Before lunch visit Flat Rock Cellars. Devoted to high quality wine and protecting the environment, Flat Rock boasts one of the few "gravity flow" cellars, where hand picked grapes are treated gently to produce at their maximum potential. Experience their "truly inspiring wines," while enjoying the spectacular view of Lake Ontario and the Toronto Skyline. Back on the bikes, stop at Ball's Falls Heritage Conservation Area and view the natural history of this region and the traces of a mid 19th century industrial hamlet.

Our second visit is at Vineland Estates, "Ontario's most picturesque winery." Enjoy a private tasting session and a spectacular lunch. The Vineland Estates Restaurant is a renowned restaurant serving elegant regional cuisine. Cap off the day with some more fabulous biking on rural roads, relishing the feeling of fresh air, exercise, and a memorable wine and food experience.

 - Bring a jacket in case of a change in weather;
 - Bring a camera if you like;
 - Bring your wallet if you'd like to buy some wine or accessories in the wine shops;
 - NOTE: our support van can take along small items like that. However we can't carry entire changes of clothes for the whole group, so dress for the biking!
