

Steve Bauer Niagara Tours

Half Day Vineyard Cycle Tour

On our fully supported leisure cycling tour, you will truly experience the best Niagara has to offer. Savour the beauty of our sun-kissed landscapes while touring our wine producing region by bike. Discover hectares of vineyards, stellar winemaking traditions, state of the art facilities and culinary treasures along the way.

Begin your experience by pedaling along the awe-inspiring Niagara River to picturesque Niagara-on-the-Lake. Along the way you will encounter historic McFarland House, Old Fort George, and possibly the occasional fruit stand.

Arrive at the architecturally magnificent Peller Estates Winery to experience the art, craft and passion of wine. Peller offers a unique and informative wine experience involving a tour of their wine making facilities and tasting of their premium wines.

Weave your way down quiet country lanes and discover a tapestry of lush vineyards and bountiful orchards. Arrive at Inniskillin Wines, known for its role in bringing the wines of Niagara to the rest of the world! Here we'll compare oaked and non-oaked chardonnay, and try the most well known ice wine on the globe.

Complete your wine country experience by pedaling along the Niagara River Recreational Trail through the quaint village of Queenston and challenge yourself during the ride up the Niagara Escarpment, a World Biosphere Reserve. Lookout at the base of the Brock Monument at Queenston Heights and imagine a general's eye view of a pivotal War of 1812 battle.

WHAT TO BRING/WEAR

- Wear comfortable clothes and athletic shoes. For example, shorts and a T-Shirt with some runners;
 - Good idea NOT to wear: jeans (uncomfortable), long loose pants (loose fabric around the ankles can get caught in the chainring);
 - Bring a jacket in case of a change in weather;
 - Bring a camera if you like;
 - Bring your wallet if you'd like to buy some wine or accessories in the wine shops;
 - NOTE: our support van can take along small items like that. However we can't carry entire changes of clothes for the whole group, so dress for the biking!
-

We look forward to showcasing the best of Niagara... by bike!
